Event Feature Profile: Joel Salatin

Joel Salatin is an American farmer, lecturer, and author, whose books include "Folks, This Ain't Normal", "You Can Farm", and "Salad Bar Beef". Salatin raises livestock using holistic management methods of animal husbandry on his Polyface Farm. Polyface Farm is located in Swoope, Virginia and has been at the forefront of grass-based farming for 40+ years. www.polyfacefarms.com

The WA event is hosted by **Serpentine Jarrahdale Food and Farm Alliance Inc.** and the contact is **Merri Harris M: 0437 911 011**

www.sjfoodandfarmalliance.com.au for booking and event details. **NutriSoil** is hosting Joel on the **21st and 22nd May at our headquarters in VIC.** It will be a showcase of Joel's teachings and on-farm practical experience including how Aussie case study farmers are replicating this here. Day 2 will feature farm visits and an opportunity for farmers to have an open Q&A tapping into Joel and the group's combined genius.

Event Feature Profile: Nicole Masters

Nicole Masters of **Integrity Soils** is returning to Australia for a tour this March, with opportunities to see her in 1 and 2-day seminars with Vic No Till and the Certificate in Regenerative Ag Systems. For more details and ticketing please contact the host organisations www.vicnotill.com.au and www.integritysoils.co.nz/events

NEW for 2019

NutriSoil HUBS is a localised regenerative farming group to encourage communication, knowledge exchange and trial results in broad-acre regenerative farming, with an overall aim of building the regenerative movement. **Join Today, give us a call and/or go to our website to learn more:** www.nutrisoil.com.au/nutrisoil-hubs
